

Viva la Revolucion - Infinite Painting Freedom!

Written by Administrator

Thursday, 13 March 2008 00:00 -

CHÉntonio and Fidel Amaro bring you the Web revolution where anyone can convert a webpage into an infinte paper where you can paint/draw, upload images or simply watch others doing it!!

We have planted the seeds of new WEB REVOLUCION so be prepared for a true WYSIWYG WWW. Adios HTML y viva la Libertad Infinita!
